

Go further, stay longer, bring the whole crew.

Ceduna 16 MK3 Quad Off-Road Caravan

The Ceduna 16 MK3 Quad is your family's off-grid powerhouse — tough enough for remote tracks, smart enough for everyday comfort. With 750W of solar and 705ah lithium battery, the Projecta power system, and MyCoolman aircon as standard, it's made for long stays and wild getaways.

Inside, you'll find two bunks, a queen bed, expandable dining area, and loads of clever storage. With rugged construction, full kitchen, and ensuite, this hybrid is built for big adventures — and even bigger memories.
